Part 5. Writing

It was a wonderful Sunday morning. I had the opportunity to work with my parents in my favorite park. It was warm autumn weather outside. A circus came to the park

where we were walking. The performance^o was wonderful. After that we went to the center of the park where the workers were as busy as bees. In the center of the park there was a small pond where ducks swam. One of the ducks was ashore and my dad was after her. I will remember this wonderful day with my family forever.
